

Drava River Basin

International symposium
23-25 September 2008
Maribor, Slovenia

DRAVA
RIVER
VISION

Nature protection areas, hydropower plants and floodplain

LEGEND

- Drava River Basin
- Drava and Mura rivers
- Major tributaries
- Active floodplain* (between flood protection dykes: 880 km²)
- Potential floodplain* (between lower terraces: 2,450 km²) (*including all waters)
- Protected areas (Natura 2000 for AT, SI, HU; for HR other river relevant protected areas)
- Ramsar sites
- Hydropower plants (dams, weirs)
- Borders

Data was provided by: Amt der Kärntner Landesregierung (Natura 2000 Kärnten), Amt der Steirischen Landesregierung (Natura 2000 Steiermark), WWF Austria: Protected areas for SI, HU, HR, RS, FLUVIUS: Catchment, Hydropower plants and floodplain, RAMSAR: Ramsar sites

0 50 100 Km
Scale: 1 : 1,350,000
(in A3 landscape paper format)

Prepared by FLUVIUS, Vienna, September 2008
