Obligations

LOICZ asks affiliated projects to agree to:

- Collaborate with other members of the LOICZ community as appropriate for assisting the LOICZ synthesis in general and for expanding the LOICZ network of scientists and stakeholders
- Fully acknowledge their affiliation to LOICZ on all outputs, publications, presentations, websites etc
- Provide the LOICZ IPO with a hard/electronic copy of each report, product and publication resulting from endorsed research (including copies of annual progress reports)
- Represent LOICZ in presentations where affiliation is of relevance and being an ambassador of LOICZ on relevant scales.
