Date: 23 February 2011

Circular: 11/21

To: **SPREP National Focal Points

Subject: **SPREP analysis of and comments on consultants report
on Mobilising Climate Change Funding in the Pacific
Islands Region**

Further to SPREP circulars 10/102 dated 23 December 2010 and 10/93 dated 20 October 2010 I am circulating an analysis paper on the consultants report on Mobilising Climate Change Funding in the Pacific Islands Region in light of comments received from stakeholders. The consultants report has been amended with those comments where applicable and is also attached to this circular. This analysis paper will be discussed at the Pacific Climate Change Roundtable in Niue in March 2011.

I would again wish to thank those who submitted their views for their helpful comments and guidance on this consultants report.

Yours sincerely,

David Sheppard
